

Darrell Wayne Levi Sr.

Trailblazing Executive Strategist | Global Finance | Organizational Leadership

A distinctive leadership profile positioned for executive employment, advisory engagement, and high-level contracting opportunities. Finance, international relationships, and disciplined execution — converged in one operator.

The Trade Office Investment Platform

Country Relationships • Financial Syndication • Project Development • Business Matching • Eligible EB-5 Review

EXECUTIVE BRAND

Brand Positioning

A rare ability to bring structure to complex opportunity.

Finance

Project finance, fiduciary coordination, capital-readiness strategy, and the discipline to shape opportunity into financeable narratives.

Leadership

Organizational Leadership scholar with mature executive judgment, resilience, and global business exposure across senior environments.

Execution

Stakeholder alignment, project development, and operational discipline that move complex initiatives from ambition to delivery.

BRAND POSITION

Current Platform Involvement

Darrell is currently involved with the Trade Office Investment Platform — a diplomatic-style initiative.

What It Is

A diplomatic-style platform linking country relationships, financial syndication, project development, business matching, and eligible EB-5 review.

Darrell's Role

Strengthens the financial and project-development side of the initiative — bringing capital logic and execution discipline to the platform.

Strategic Value

Connects opportunity, capital structure, business matching, and eligible EB-5 review into one integrated diplomatic-style pipeline.

TOIP INVOLVEMENT

Credibility Association — Stacey Shepperson

A complementary association that strengthens platform credibility and character reference.

Why It Matters

Stacey Shepperson's civic relationships, legal background, STEM leadership, Fulbright experience, and public profile add credibility and character reference to the platform.

Complementary Strengths

Relationship development on one side and financial project execution on the other — together forming a balanced, credible operating partnership.

CREDIBILITY ASSOCIATION

Private Office Affiliation

Representation connected to the Private Office of His Highness Sheikh Hamdan bin Ahmed Al Maktoum.

Bilateral Economic Cooperation

Working environments tied to country-to-country economic dialogue and structured cooperation.

International Relationships

Diplomatic-style engagement with sovereign-adjacent stakeholders and global partners.

Energy & Infrastructure Opportunity

Exposure to large-scale energy and infrastructure development pathways.

PRIVATE OFFICE

Finance & Execution Profile

Shaping opportunity into financeable narratives and executable structures.

Project Finance

Capital structuring, syndication logic, and deal-readiness for cross-border project development.

Fiduciary Coordination

Disciplined oversight across counterparties, agents, and trustee-style relationships.

Capital-Readiness Strategy

Preparing initiatives so they meet institutional capital expectations from day one.

Infrastructure Exposure

Direct experience adjacent to large-scale infrastructure and energy development.

FINANCE EXECUTION

Commerce • ITA • Commercial Service

International business strategy with established federal trade-development resources.

Department of Commerce

Engagement with federal trade-development channels and policy-aligned execution.

International Trade Administration

Working with ITA resources to develop cross-border business strategy.

U.S. Commercial Service

Implementation support for international market-entry and partner facilitation.

GOVERNMENT STRATEGY

Academic Leadership Foundation

Continuing scholarly leadership development paired with national honor fellowship.

Abilene Christian University

Bachelor of Science • Organizational Leadership

Junior-year standing. A scholar of leadership theory and practice, with focus on organizational behavior, ethics, change leadership, and executive judgment.

Phi Sigma Pi National Honor Fraternity

Scholarship • Leadership • Fellowship

National honor fraternity affiliation reinforcing academic leadership, service, and professional fellowship as part of a complete leadership identity.

EDUCATION & FELLOWSHIP

The Maverick Operator

Not a conventional candidate — a trailblazer built for environments others cannot navigate.

Executive Maturity

Seasoned judgment shaped by senior environments, not borrowed from a job description.

Resilience

Tested through complex cross-border initiatives where outcomes matter more than optics.

Global Exposure

Comfort operating across cultures, jurisdictions, and senior decision tables.

Financial Instincts

Reads the capital logic underneath every opportunity, before the spreadsheet arrives.

Continuing Education

Active leadership scholarship — discipline carried into every engagement.

Trailblazer Mindset

Builds pathways where conventional candidates only describe obstacles.

OPERATOR PROFILE

Target Roles

Positioned for senior executive, advisory, and contracting roles.

Chief Operating Officer

Executive Director

Vice President of Operations

Vice President of Strategy

Senior Program Director

Portfolio Director

Principal Consultant

Strategic Advisor

Fractional COO

TARGET ROLES

Value to Contracting Partners

Where Darrell creates measurable leverage on engagement day one.

Capital Readiness

Prepares organizations to meet institutional capital expectations and diligence standards.

Project Finance Prep

Structures opportunities into financeable form — narrative, model, and counterparties aligned.

International Business Strategy

Market-entry pathways across federal trade resources and private channels.

Organizational Execution

Operating cadence, accountability, and decision rhythm that move work forward.

Stakeholder Alignment

Aligns boards, sponsors, partners, and regulators around a shared, executable plan.

Strategic Growth Planning

Long-arc planning that converts ambition into durable, financeable initiatives.

CONTRACTING VALUE

A Rare Integrator

Someone who can read the capital logic, speak the language of leadership, coordinate stakeholders, and move complex initiatives from ambition to execution.

Financial Logic

Reads the capital structure underneath the opportunity.

Stakeholder Coordination

Aligns partners, regulators, and counterparties.

Leadership Language

Speaks fluently across boards, sponsors, and operators.

Execution Discipline

Moves initiatives from ambition to delivery.
