**EXECUTIVE BIOGRAPHY: DARRELL WAYNE LEVI SR.**

Darrell Wayne Levi Sr. is the Founder and CEO of Best Tech Energy Corporation, a Texas-based firm specializing in international energy distribution and strategic consulting. A visionary leader with over a decade of experience in global finance and international diplomacy, Darrell has built a career at the intersection of large-scale infrastructure development and ethical stewardship.

Currently serving as the primary fiduciary representative for a multi-billion-dollar infrastructure fund through Best Tech Financial Trust, Darrell oversees complex fund disbursements for major initiatives across the United States. His expertise in regulatory compliance and server-to-server fund handling has positioned him as a trusted partner for international paymasters and government entities alike.

Before founding Best Tech Energy, Darrell served as a representative for the Private Office of H.H. Sheikh Hamdan bin Ahmed Al Maktoum. During his twelve-year tenure, he played a critical role in fostering bilateral economic cooperation between Dubai leadership and global markets, structuring half-billion-dollar partnership agreements and negotiating multi-billion-dollar energy deals. His background also includes significant success in project finance, having previously raised ninety-two million dollars for large-scale infrastructure developments.

In addition to his corporate achievements, Darrell is an accomplished author of *Betrayal and Injustice* and *Indomitably Tenacious*, works that explore the themes of resilience and personal transformation. As an ordained minister and community mentor, he leverages his platform to advocate for ethical leadership and resilience in both professional and personal spheres.

Darrell is currently completing his Bachelor of Science in Organizational Leadership at Abilene Christian University, where he is a member of the Phi Sigma Pi National Honor Fraternity. He previously immersed himself in executive leadership and global business dynamics at Harvard Business School.
